

## N.S.C.A.R. Grave Marker Examples

Below are some examples of grave markers that can be manufactured by Classic Bronze Resources, LLC. You will need to contact them directly to get prices and estimates for delivery of the markers. Markers are made upon receipt of order and usually take 30 days to produce, so plan in advance. Approval of Senior National Historian is required. (See [www.nscar.org](http://www.nscar.org) for **N.S.C.A.R. Grave Marker and Use of Insignia Application.**)

Classic Bronze Resources, LLC

4628 Whispering Oak Trail, Cincinnati, OH 45247

Phone: (513) 600-9048; E-mail: [classicbronzeresources@fuse.net](mailto:classicbronzeresources@fuse.net)

Left: The 4-inch marker comes with lug-mounting hardware.

Classic Bronze Resources can attach a small extension piece to indicate “Patriot,” “Member,” or “Senior,” if desired.

(Markers may not be exactly as those pictured but will be similar.)

The 5-inch marker is available in a lug mounted or stake mounted version.

The 18” stakes are available straight or bent back at 45 degrees. As a theft deterrent, stake mounted markers come with tamper-proof screws and mounting hardware. A mounting tool and instructions are also included.
